

Application to participate in the MUSTANG MAKEOVER Trainer Challenge

I hereby submit a binding application for participation in the next MUSTANG MAKEOVER and would like to be provided by American Mustang Germany for the training period of approx. three to four months (approx. 120-150 days), a wild (only when participating in the "Challenge of a lifetime" with USA Travel) or a trained, "almost raw" Mustang (the horse is prepared for the flight by a trainer in the USA).

I will prepare and train this horse during the event. I am aware that I will have to bear any travel costs to the USA, as well as the costs incurred in Germany, such as pension costs, veterinarian, etc. for the provided Mustang myself. I have the possibility to participate in the auction proceeds of the Mustang. Furthermore I will be given the opportunity to present myself and my training method via the social media platforms of the MUSTANG MAKEOVER.

The participation fee is 500€ and will be used to supply the Mustang in the USA.

I participate in the project at my own risk and I am aware of the danger of working with wild horses.

Please select:

- If there is again the possibility to get to know and train the Mustang in the USA, I would be interested in travelling to America at my own expense for probably 10-14 days, choosing a Mustang from a pre-selected group and preparing it independently for the flight. Also the training in America would be at your own risk.
- I would like the Mustang to be prepared for the flight as in the last years. I would not be interested in a trip to the USA.

ms marketing CONSULT GmbH does not accept any liability for damages caused or suffered by the participant and therefore recommends adequate insurance cover. When participating in a possible trip to the USA I am aware that foreign travel insurance is mandatory and I will take out such insurance.

I have read, understood, completed and agree to the enclosed documents (Application to participate in the MUSTANG MAKEOVER Trainer Challenge, Application to participate in the MUSTANG MAKEOVER Trainer Challenge, Questions about you and your training method, Important information).
